

Gregory O. Scott is a pen name for fan fiction writer HandofThrawn45. When Disney rebooted the Expanded Universe in 2014, it brought about the official end of the Star Wars Legends continuity. Yet while no new official Legends books have been released since the official end of the Legends line of books, not everyone has been willing to accept that it would seem. Since 2018, HandofThrawn45 has written a number of fan novels which are intended to close off the loose ends created in the wake of Disney's end of the Legends Continuity.

## War on the Rogue Planet...

A coalition of Jedi, Imperial, Alliance, Chiss, Mandalorian, and Yuuzhan Vong have gathered, determined to defend the living world, Zonama Sekot, from the forces bent on its destruction.

The disparate groups are led by Jedi Master Jaina Solo, Jedi Knight Ben Skywalker, and former Jedi Tahiri Veila, but these leaders are haunted by the tragedy of Darth Caedus. To succeed, the trio must face their failures and find redemption for themselves and...Jacen Solo.
